

Make Life your choice as Ballooning Partner

One passenger once said while flying in my balloon: "it is like in a dream". This is what ballooning is all about, out of this world. Make sure that choose not only the right operator but also the right area to fly in. Life Ballooning offers a number of choices:

✓ **Madidaba Game Lodge**

in Dinokeng near Cullinan. Life Ballooning has been flying here for the last eight years. This area offers amazing views, variety of game, history and an uncontrolled airspace that we can play in less than 50 km from Pretoria

✓ **Cullinan Mine**

This area boasts with history in SA rich Diamond tradition. Fly over the 5th largest hole in the world, experience the bickers on Saturday, fly over the Italian grave yard or over game in the area. Only the wind knows.

✓ **Mokoya Lodge**

Skeerpoort near Hartebeespoort Dam is the most well known ballooning destination in SA. Life Ballooning has been flying here since 1999. Fly between the Magalies and Witwatersrand mountain ridges. Watch other balloon operators in the distance.

✓ **Delmas**

Just a stone throw from JHB and Pretoria experience the wide open spaces of the Highveld. This is also the area where The School of Ballooning does all the training of the balloon pilots in SA.

All areas are in uncontrolled airspace away from the cities – your choice, depending on availability.

The 34877 prize winner of February

The first competition held in 2010 was won by Almarie Lubbe and her family. Below their impressions:

Baie dankie vir 'n ongelooflike oggend. Ons het die ervaring verskriklik geniet. Wentzel is 'n puik vlieënier en ons het baie veilig gevoel. Dit is 'n rustigheid wat 'n mens nie kan beskryf nie, net ervaar. Dit was iets op ons "Bucket List" wat ons nog altyd wou doen . Baie dankie vir die geleentheid. – Attie, Almarie, Alrie & Nicolien Lubbe.
